

SECTION VIII. PERIODICALS/SERIALS ON COMMUNIST STUDIES

VIII.1 DIRECTORY OF PERIODICALS ON COMMUNIST STUDIES AND CONNECTED AREAS

This directory lists periodical publications from all over the world relevant for studies on Communism in a broad sense. It aims to provide access to these sometimes dispersed and ephemere sources of contemporary history including all periods, regions and fields of speciality. Suggestions for amending and updating this directory are always welcome.

For further investigation, it is recommended to visit the IALHI Serials Service (<http://serials.labourhistory.net>), which covers diverse serials in the field of labour history and Communist studies and offers a Labour History Serials Alerting Service (http://serials.labourhistory.net/alerting_services.asp).
